# LEARNING PATHWAYS

**UNDP-MBRF**
**Future Skills Academy**

#FutureSkillsAcademy

# Track 1: Transferable skills

## Soft skills pathway

This pathway covers a range of interpersonal skills and attributes that are meant to complement learners' existing knowledge and hard skills. These skills teach learners how to interact effectively with others and build positive relationships in the workplace. The soft skills covered in this pathway are communication, problem-solving, analytical thinking, and learning.

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| Soft skills pathway 1 (Ar, En, Fr) | Solving Problems with Creative and Critical Thinking | IBM | 3 months at 3 hours a week |
| | Learning how to learn | Deep Teaching Solutions | |
| | Teamwork Skills: Communicating Effectively in Groups | University of Colorado Boulder | |
| | Work Smarter, Not Harder: Time Management for Personal & Professional Productivity | University of California, Irvine | |
| | Successful Presentation | University of Colorado Boulder | |
| Soft skills pathway 2 (Ar, En, Fr) | High Performance Collaboration: Leadership, Teamwork, and Negotiation | Northwestern University | 3 months at 5 hours a week |
| | Building Your Leadership Skills | HEC Paris | |
| | The Growth Mindset | University of California, Davis | |
| | Storytelling and Influence: Communicate with Impact | Macquarie University | |

## Foundational digital skills pathway

This pathway covers foundational digital skills that will enable learners to use digital technologies effectively at work. These skills enable learners to use a range of communication applications, networks, and software programmes to perform work-related functions more efficiently. The digital skills covered in this pathway are digital awareness and safety, data analysis and visualization, artificial intelligence, and Excel.

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| Foundational digital skills (Ar, En, Fr) | Digital Safety and Security | Arizona State University | 3 months at 4 hours a week |
| | Excel Basics for Data Analysis | IBM | |
| | Work Smarter with Microsoft PowerPoint | Microsoft | |
| | Generative AI for Everyone | DeepLearning.AI | |
| | ChatGPT Advanced Data Analysis | Vanderbilt University | |
| Generative AI for Everyone (Ar, En, Fr) | Generative AI: Introduction and Applications | IBM | |

| | | | |
|---|---|---|---|
| | Generative AI: Impact on Business and Society | University of Michigan | 2 months at 3 hours a week |
| | Generative AI: Prompt Engineering Basics | IBM | |

## Career Readiness

This pathway offers skills needed for learners to navigate the workplace and job market and manage their careers from entry into the workforce, to job maintenance, and career progression. The skills covered in this pathway are career planning, networking, and interviewing.

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| Career Readiness (Ar, En, Fr) | Career Planning: A Pathway to Employment | Kennesaw State University | 2 months at 3 hours a week |
| | Create a Profile and Network on LinkedIn | Coursera Project Network | |
| | Successful Interviewing | University of Maryland, College Park | |
| | How to Write a Resume (Project-Centered Course) | The State University of New York | |

## English for Professional Success

This pathway combines fundamental aspects of the English language into a tailored learning programme that covers the basics of English grammar, the basics of business English for professionals, and intermediate grammar. From mastering fundamental grammar to tackling business-related language challenges, including a capstone project, this comprehensive approach equips learners with essential skills for effective communication in English across diverse contexts.

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| English: Beginner 1 (Ar, En, Fr) | Learn English: Beginning Grammar | University of California, Irvine | 2 months at 5 hours a week |
| English: Beginner 2 (Ar, En, Fr) | Learn English: Intermediate Grammar | University of California, Irvine | 3 months at 10 hours a week |
| English: Intermediate (Ar, En, Fr) | English Language Skills A2-B1 CEFR: Low-Intermediate | Voxy | 3 months at 10 hours a week |
| Business English: Beginner (Ar, En, Fr) | Improve your English Communication Skills | Georgia Institute of Technology | 3 months at 10 hours a week |
| Business English: Intermediate 1 (Ar, En, Fr) | - Business English Communication Skills Specialization<br>- Business English: Capstone Project | University of Washington | 2 months at 6 hours a week |
| Business English: Intermediate 2 (Ar, En, Fr) | - Business English Communication Skills Specialization<br>- Business English: Capstone Project | University of Washington | 2 months at 6 hours a week |
| Business English: Advanced (Ar, En, Fr) | - Business English: Networking<br>- Business English: Meetings<br>- Business English: Planning & Negotiating<br>- Business English: Making Presentations<br>- Business English: Capstone Project | University of Washington | 3 months at 10 hours a week |
| | - Business English: Management and Leadership<br>- Business English: Finance and Economics<br>- Business English: Marketing and Sales<br>- Business English: Marketing and Sales | Arizona State University | |

## Leadership pathway

This pathway develops key leadership skills, including communication, collaboration, decision-making, and innovation. It equips learners to enhance team performance, manage talent, and navigate organizational challenges, with a capstone project for practical application of leadership concepts. **To enroll in this pathway, you will need to complete the Soft Skills Programs 1 and 2.**

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| Leadership (Ar, En, Fr) | Why Smart Executives Fail: Common Mistakes & Warning Sign | Dartmouth College | 2 months at 5 hours a week |
| | Decision-Making: Blending Art & Science | | |
| | Superbosses: Managing Talent & Leadership | | |
| | Lessons on Wisdom: Personal Leadership for Your Life | | |

# Track 2: Entrepreneurial skills

## Pathway 1: Entrepreneurship accelerator

A specialized pathway tailored for established entrepreneurs looking to elevate their business acumen. This pathway focuses on honing skills in business modelling, project management, innovation, leadership, data analysis, and communication, offering a concise yet impactful curriculum.

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| Entrepreneurship Accelerator (Ar, En, Fr) | Business Model Canvas: A Tool for Entrepreneurs and Innovators (Project-Centred Course) | University System of Georgia | 4 months at 3 hours a week |
| | Project Management: The Basics for Success | University of California, Irvine | |
| | Developing Innovative Ideas for New Companies: The First Step in Entrepreneurship | University of Maryland, College Park | |
| | High Performance Collaboration: Leadership, Teamwork, and Negotiation | Northwestern University | |
| | Excel Basics for Data Analysis | IBM | |
| | Leadership Communication for Maximum Impact: Storytelling | Northwestern University | |

## Pathway 2: Entrepreneurship mastery

An all-encompassing pathway designed to equip entrepreneurs with a wide array of skills, including leadership, project management, innovation, business modelling, data analysis, communication, financial management, marketing, and branding.

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| Entrepreneurship Mastery (Ar, En, Fr) | Creative Thinking: Techniques and Tools for Success | Imperial College London | 6 months at 5 hours a week |
| | New Venture Finance: Startup Funding for Entrepreneurs | University of Maryland, College Park | |
| | Business Model Canvas: A Tool for Entrepreneurs and Innovators (Project-Centered Course) | Kennesaw State University | |
| | Financial Accounting Fundamentals | University of Virginia | |
| | Digital Product Management: Modern Fundamentals | University of Virginia | |

## Pathway 3: Social entrepreneurship

Unlock the potential of social entrepreneurship as a powerful tool to address pressing societal issues, merging business acumen with a commitment to positive change. Learn to create innovative ventures that not only generate profits but also drive meaningful impact and be part of the solution to the challenges our world faces.

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| Social Entrepreneurship (Ar, En, Fr) | Identifying Social Entrepreneurship Opportunities | Copenhagen Business School | 4 months at 3 hours a week |
| | Social Business Model and Planning for Social Innovation | | |
| | Unleashing the Impact of your Social Enterprise \| Coursera | | |

## Pathway 4: Technology entrepreneurship

This pathway will enable you to launch your own technology startup company. Learn how to form, fund, and launch a new technology venture.

| Programme Name | Courses | Entity | Duration |
|---|---|---|---|
| Technology Entrepreneurship (Ar, En, Fr) | Getting Started with Technology Startups | University of Colorado Boulder | 4 months at 3 hours a week |
| | Creating a Technology Startup Company | | |
| | Forming, Funding, and Launching a Technology Startup Company | | |

# Track 3: Advanced /Technical skills

## Roles and specializations

The role-specific track covers the 56 most in-demand roles/specializations grouped within 11 categories, and which are offered at two levels (reskilling (LEVEL 1) and upskilling (LEVEL 2)) where possible. Upon completion of any of their designated pathways, learners will obtain either a professional certificate or a specialization, depending on the role.

- Level 1 (No or limited previous knowledge) - Reskilling:
  *Reskilling, often referred to as Level 1 – No or limited previous knowledge, is the process of equipping employees with entirely new skills that are different from their current skill set. It typically occurs when individuals need to transition into different roles or job functions within an organization or when their existing skills have become obsolete due to technological advancements or changes in the industry. Reskilling aims to provide employees with the competencies necessary to perform their new roles effectively. It can involve training and education programmes that help employees acquire entirely fresh skill sets relevant to their new positions.*

- Level 2 (Good previous knowledge) - Upskilling:
  *Upskilling, often referred to as Level 2 – Good previous knowledge, is the process of enhancing the existing skills and knowledge of employees. Unlike reskilling, upskilling focuses on improving the capabilities of individuals in their current roles or related roles within the same field. The goal of upskilling is to make employees more proficient, adaptable, and competitive in their existing positions or in positions that require a higher skill level within the same industry or domain. Upskilling programmes typically concentrate on improving specific competencies or upgrading knowledge and expertise in a particular area.*

| Artificial intelligence and machine learning | | | |
|---|---|---|---|
| **Role** | **Specialization** | **Entity** | **Duration** |
| Artificial Intelligence Engineer 1 (Level 1 - No or limited previous knowledge)(Ar, En, Fr) | IBM AI Engineering Professional Certificate | IBM | 3 months at 4 hours a week |
| Artificial Intelligence Engineer 2 (Level 1 - No or limited previous knowledge) (Ar, En, Fr) | IBM AI Engineering Professional Certificate | IBM | 3 months at 4 hours a week |
| Artificial intelligence: AI enterprise workflow - L2 (Level 2 - Good previous knowledge) (Ar, En, Fr) | IBM AI Engineering Professional Certificate | IBM | 4 months at 5 hours a week |
| Generative AI Engineering (Ar, En, Fr) | AI Engineering Specialization | Scrimba | 2 months at 5 hours a week |
| Machine Learning - L1 (Ar, En, Fr) | Machine Learning in Production DeepLearning.AI | DeepLearning.AI | 4 months at 5 hours a week |
| Python Program: Beginner (Ar, En, Fr) | Python Beginner | University of Michigan | 2 months at 5 hours a week |
| Python Program: Intermediate (Ar, En, Fr) | Python Intermediate | University of Michigan | 2 months at 5 hours a week |

| Customer service | | | |
|---|---|---|---|
| **Role** | **Specialization** | **Entity** | **Duration** |
